

MESSAGE FROM THE HON. RAY WILLIAMS MP

Minister for Multiculturalism

EID AL-FITR 2017

It is a great pleasure to wish Eid Mubarak to all Muslim Australians at Eid al-Fitr, which marks the end of the holy month of Ramadan.

The festival is a chance to share food with neighbours and friends and exchange gifts.

I was delighted to attend a number of Iftar dinners this month and break bread with the community who are committed to social cohesion and our harmonious way of life.

As the crescent moon signals the start of Shawwal, I wish everyone a blessed and peaceful Eid.

Ray Williams MP
